Revision History:

Date	Revision	Description

Software Developer's Agreement

All Products of Feitian Technologies Co., Ltd. (Feitian) including, but not limited to, evaluation copies, diskettes, CD-ROMs, hardware and documentation, and all future orders, are subject to the terms of this Agreement. If you do not agree with the terms herein, please return the evaluation package to us, postage and insurance prepaid, within seven days of their receipt, and we will reimburse you the cost of the Product, less freight and reasonable handling charges.

1. Allowable Use – You may merge and link the Software with other programs for the sole purpose of protecting those programs in accordance with the usage described in the Developer's Guide. You may make archival copies of the Software.

2. Prohibited Use – The Software or hardware or any other part of the Product may not be copied, reengineered, disassembled, decompiled, revised, enhanced or otherwise modified, except as specifically allowed in item 1. You may not reverse engineer the Software or any part of the product or attempt to discover the Software's source code. You may not use the magnetic or optical media included with the Product for the purposes of transferring or storing data that was not either an original part of the Product, or a Feitian provided enhancement or upgrade to the Product.

3. Warranty – Feitian warrants that the hardware and Software storage media are substantially free from significant defects of workmanship or materials for a time period of twelve (12) months from the date of delivery of the Product to you.

4. Breach of Warranty – In the event of breach of this warranty, Feitian's sole obligation is to replace or repair, at the discretion of Feitian, any Product free of charge. Any replaced Product becomes the property of Feitian.

Warranty claims must be made in writing to Feitian during the warranty period and within fourteen (14) days after the observation of the defect. All warranty claims must be accompanied by evidence of the defect that is deemed satisfactory by Feitian. Any Products that you return to Feitian, or a Feitian authorized distributor, must be sent with freight and insurance prepaid.

EXCEPT AS STATED ABOVE, THERE IS NO OTHER WARRANTY OR REPRESENTATION OF THE PRODUCT, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

5. Limitation of Feitian's Liability – Feitian's entire liability to you or any other party for any cause whatsoever, whether in contract or in tort, including negligence, shall not exceed the price you paid for the unit of the Product that caused the damages or are the subject of, or indirectly related to the cause

of action. In no event shall Feitian be liable for any damages caused by your failure to meet your obligations, nor for any loss of data, profit or savings, or any other consequential and incidental damages, even if Feitian has been advised of the possibility of damages, or for any claim by you based on any third-party claim.

6. Termination – This Agreement shall terminate if you fail to comply with the terms herein. Items 2, 3, 4 and 5 shall survive any termination of this Agreement.

Contents

Installing ROCKEY4ND SDK

You will find the program *Setup.exe* under the root directory of the CD-ROM included in the Software Developer's Kit (SDK). The contents of the CD-ROM are not zipped. Experienced developers may simply copy all necessary content to the computer.

The content of the CD-ROM consists of two parts: Tools under the directory Tools. Some documents on how to use these tools are provides in the corresponding folder. APIs are for different programming languages.

1 Installing SDK

Below we will discuss how to install and use the development package.

Step 1.
FEITIAN provides a *Setup.exe* installation wizard program on the CD-ROM. You may select the components you need. The installation of the drivers is also integrated in this wizard. Double click the *setup.exe* file from the root directory of the ROCKEY4ND CD-ROM. You will see the first screen of the Setup Wizard pictured below (Figure 1). Select language at the first step.

Figure 1

Step 2.
Close other application to avoid the need of rebooting the system.

Figure 2

Step 3.

View the software release agreement.

Figure 3

Step 4.

Figure 4 show the type of installation. Please select the content you want to install.

Figure 4

Step 5.

Select the path to install the SDK.

Figure 5

Step 6.
Finish installing the SDK.
